

**Glynn Vivian Artist in Residence:
The Bartussek/Dicker Family**
July – September 2015

The Glynn Vivian Art Gallery 'Artist in Residence' programme is an opportunity for the community to interact, exchange and engage with an artist and to offer artists an opportunity for reflection, research and collaboration. Our artist for July – September 2015 is the Bartussek/Dicker Family.

The Bartussek/Dicker family, established in 2004, are five-strong, Anglo-German, 3:2 female/male ratio and occupied (in different ways) in social education institutions from nursery to university. Their interests include photography, film, drawing, sewing, music, sports, food and puppetry. The underlying theme of this residency is family language and communication. This will be explored through the creation and production of a travelling puppet show.
