Glynn Vivian Artist in Residence: Bob Gelsthorpe October – December 2015

The Glynn Vivian Art Gallery 'Artist in Residence' programme is an opportunity for the community to interact, exchange and engage with an artist and to offer artists an opportunity for reflection, research and collaboration. Our artist for October – December 2015 is Bob Gelsthorpe.

Bob Gelsthorpe is an artist, writer and co-director at Bit Studios. Faith is the key driving force in his practice-based research, which includes drawing, performance, photography, sculpture and curatorial projects. The work dictates the medium, as opposed to a medium focussed practice.
