15 October 2016 – 20 November 2016

### Room 3

*Out of Darkness* brings together a selection of international artists whose works explore themes of journeys; both imagined and spiritual, light, darkness, and collecting.

Encompassing film, installation and sculpture, this first exhibition features the work of artists who have contributed to the Gallery's illustrious 100 year history of exhibitions at Glynn Vivian.

The exhibition traverses discussions on the nature of museums, post colonialism, war, loss and protest, and seeks to offer a collective understanding of the history of the gallery and the times in which we live.

## O'r Tywyllwch

Yingmei Duan, Marcel Duchamp, Cerith Wyn Evans, William Kentridge, Oscar Muñoz, José Alejandro Restrepo, Mark Wallinger

15 Hydref 2016 – 20 Tachwedd 2016

### Ystafell 3

Mae *Allan o'r Tywyllwch* yn dod â detholiad o artistiaid rhyngwladol ynghyd y mae eu gwaith yn archwilio themâu teithiau, boed hynny'n ddychmygol neu'n ysbrydol, ynghyd â golau, tywyllwch a chasglu.

Gan gynnwys ffilm, gosodiadau a cherfluniau, mae'r arddangosfa gyntaf hon yn cyflwyno gwaith artistiaid sydd wedi cyfrannu at hanes arddangosfeydd llewyrchus y Glynn Vivian dros y 100 mlynedd diwethaf.

Mae'r arddangosfa'n ymdrin â thrafodaethau ynghylch natur amgueddfeydd, ôl-wladychiaeth, rhyfel, colli a gwrthdystio, ac mae'n ceisio cynnig cyd-ddealltwriaeth o hanes yr oriel a'n hoes ni.
