conservation, wildlife, design and appearance of the development.

Issues which cannot be taking into account include loss of view, effect on property values, private rights, covenants and construction noise and boundary disputes.

The City & County of Swansea Council has also to take into account Welsh Assembly Government policies and guidance, together with its own planning policies and you may wish to refer to these as well.

You should not make statements that are personal, slanderous or abusive.

Keep your address short.

What happens at the meeting?

Statements are heard prior to the relevant item.

Immediately before the item is to be considered, the Chair will call you to speak to the Committee.

However, the Council Constitution provides for a total time of ten minutes for representations (a maximum of 5 minutes each for objectors and applicants and supporters). So if there is more than one person wishing to address the Committee, either as an objector or applicant or supporter, you are advised to discuss the presentation before hand, perhaps nominating one person to make the statement, to ensure that the five minute limit is not exceeded.

The Committee Chair always has discretion as to whether or not a person speaks and has discretion to allow longer speaking times if appropriate.

Late requests to speak will not normally be accepted, although, in exceptional circumstances, they may be taken with the specific agreement of the Chair and Committee.

Should objectors/applicants wish to submit photographs/images for display at Committee, this has to be done by Noon the previous working day.

Any materials/literature objectors/applicants may wish to distribute to Members, they must do this themselves.

If a matter is deferred/withdrawn/deferred for site visit you will not be able to speak until it comes back to Committee.

After the meeting

A letter will be sent to you notifying you of the decision made on that application.
